**1 APPLICATION PROCEDURE**

The filled-out application form, counter-signed by the proposer and seconder, should be submitted to the Secretary of the Curaçao Golf & Squash Club, P.O. Box 3994, Curaçao or by email to: [info@curacaogolf.com](mailto:info@curacaogolf.com). When applying for a Company Sponsorship, signatures of proposer and seconder are not needed. The proposer and seconder must be members during at least one year and must be personally acquainted with the applicant(s). In case this is not possible this should be reported to the Board. Members of the Board are not allowed to sign as proposer or seconder.

As soon as, in the opinion of the Board, an application can be considered, the members of the Club will be informed of the application for membership by notification on the Club's board, after an invitation for a meeting with the Board on the third Wednesday of the month.

The proposer and seconder are also expected to **make** use of the opportunity offered by the "Happy Hour" held on the third Wednesday of the month, to invite the applicant(s) to attend and be introduced to other Club members present.

During a period of eight days from the moment of notification, members shall have the opportunity to lodge any objections against the application. This should be done in writing and addressed to the Secretary.

The Board reserves the right to take ultimate decision concerning the admission of a new member. If admission is granted, the applicant shall receive a written confirmation of this.

Membership starts on the first of the month following the official confirmation. If admission is not granted, the candidate shall also be advised of this decision in writing.

N.B. Attention is called to the fact that resident non-members including candidates for membership:

- Are not allowed to make use of the Club facilities (bar, golf course, squash courts, etc.), unless invited by a member, with a maximum of 5 times per calendar year;
- Are limited to take 10 trial golf lessons from the golf professional.

Violating the above might negatively influence the possible admission as a member of the Club.
